However on the calendar we were to leave General File at 11:45. I would hope that we could take up LB443, I would hope that we could discuss and dispense of the matter which is on our calendar, the withdrawal of LB397A at this time and then I have another motion on the desk.

PRESIDENT: Could one of the Pages find Senator Schmit?

SPEAKER BURBACH: Mr. President, members of the Legislature this LB243 was a bill which adopted by this body and it was advanced by this body and it is over at the Governor's office at this time and rather than I start to explain the reasons why, I know that there is a constitutional problem and I would like to turn the microphone over to Senator Kennedy who is much more knowledgeable on this issue than I am.
